Click here

- Click on “The Brain Agility Booster Program”.
- After clicking on “The Brain Agility Booster Program” – scroll down and read all important information. As you scroll down you will reach the course content.
- As you complete a module a green tick will appear next to the module.

## Course Content

Expand All | Collapse All

Lessons	Status
1	Module 1: Introduction To The Brain Agility Booster Program 
2	Module 2: An Introduction To The Brain 
3	Module 3: The Neuroscience Of Neuro-Agility 
4	Module 4: Learning Implications Of Your Neurological Design 
5	Module 5: Drivers That Optimize Your Brain Performance 

- **When you take a break from the training, please logout of your account. Please don't close the browser without logging out of the platform – This causes incorrect caches to be loaded the next time you continue with the training and results in you not being able to proceed to the next module. You will be taken back to the introductory page where the modules will be greyed out.**
  - ***Solution - Should you experience difficulty to proceed to the next module, please log out of the platform and clear your browser cache history for the Neuro-Link site.***

Should you require any assistance, please email [support@neurolink.company](mailto:support@neurolink.company).

Enjoy the journey!

The Neuro-Link Team
